

Invest in your future

FREE Kinesiology Training Day

Did you want a career in the fastest growing industry in the world today?

Come and learn more about Kinesiology. Whether your interest is in **General** or **Sports Kinesiology** this training day will give you all the information and insights into how this therapy works and the many ways it can empower your life and your career. You will learn the basic muscle testing techniques.

Be prepared to have fun, discover more of your potential and meet like-minded people on a similar path.

Our mid-year intake is in August 2010 and we are enrolling now. We also offer introductory and short courses which are due to commence in May 2010, so don't leave it until the last minute, NOW is the time to discover how you can fulfill your full potential and create the career you have always wanted.

Why ACCM?
